Fresh lowa Horses

These horses are right out of work and are ready for business. Our horses are all vaccinated before they leave the West, and we have had but very little trouble from sickness this spring. You will find this a good, slick, clean lot of chunks, suitable for any business, and chunks, suitable for any business, and they will range in weight from 1,100 to 1,650 lbs. This is an extra good lot, and we think they will please you. We we think they will please you. We shall have some second-hand horses of our own that we have taken in exchange and which will be sold for the high dollar with the same guarantee as the fresh ones. We shall also have

30 to 40 Commission Horses

-all kinds, colors, weights and styles Our last sale on commission horses was a winner—about 40 went through the ring, nearly everything sold, sellers got good prices for their property and buyers got good property for their money. If you have anything in the horse line you wish to dispose of, this sale will be good time to unload; horses are selling well everywhere. We always have some thing in the wagon and carriage line single and double work and drive harnesses, both new and second-hand, and always Robes, Stable and Street Blankets, Whips and Halters. There has been some talk of a bunch of cows for this sale, but we are not quite sure of that at this time; but always remember that if you have anything in the line of farm tools, cattle, hogs, poultry or household furniture that you wish to dispose of, this is a good time of the year and this is the place to convert it into cash. If nesses, both new and second-hand, and always Robes, Stable and Street Blank-
